THIRTY-SEVENTH YEAR. NO. 23

CEDARVILLE, OHIO, FRIDAY, JUNE 5, 1914.

PRICE, \$1.00 A YEAR

COLLEGE COMMENCEMENT

AND ANNIVERSARY WEEK

NOTABLE AFFAIR.

**Festivities Attract Large Crowds and
Interest Manifest on Part of the
Public Qualifying to Those
in Charge.**

The twentieth annual commence-
ment of Cedarville college along with
the other events that go to make a
year, have kept the people amuse-
ment as well as amuse and in-
terested.

The baccalaureate sermon was de-
livered Sabbath evening in the R. W.
church by Dr. David McKinney, who
chose for his text: "See That Thou
Make All Things According to the
Pattern Shown." To those on the
mountain, as taken from the eighth
chapter of Hebrews.

Class Night.
The seniors in their class night per-
formance gave a very interesting col-
lege play, "The College Town," and
clean comedy that carried good acting
parts.

The leaders in the play were Ralph
Hemelinger, the college cut-up, who
funny monologues and the audi-
ence, David Bradtke, head of the
military department of the college,
Miss Grace Gordon as "Miss Jim",
the girl from the college, Miss Mary
Hustling, the college widow, Fred To-
mely, Prof. Popp, and Miss Hazel
Mowry, his wife; Miss Nancy Finney,
Ma Baggeley, a popular landlady;
Miss Edna Stormont, Jane Cavendish,
Wealthy Wall street woman and aunt
of Jimmie Cavendish.

Between acts Miss Nancy Finney
gave the class history, which was
very cleverly written and well de-
livered, and Miss Edna Stormont de-
livered the class prophecy. There was
also a specialty which consisted of
various songs dedicated to the class-
es. The students wore their caps and
gowns in this act and were posed
carelessly about the state making an
interesting picture. At the close
they tossed handfuls of white roses
into the audience.

Faculty Reception.
The annual social function as given
by the faculty in honor of the mem-
bers of the graduating class as held in
Carnegie library was attended by
about 200 persons. The faculty and
members of the class were in the re-
ceiving line.

Entertainment for the evening was a
musical program. It consisted of the
following numbers: Male quartette,
Hugh Turnbull, Cameron Ross, Roscoe
McCormick and Fred Marshall; vocal
solo, Cameron Ross; reading, "Dark
Brown Philosophy"; Miss Florence
Williamson; vocal solo, Miss Mary
Hastings; piano solo, Miss Ruth Flat-
ter; vocal solo, Miss Vera Andrews;
John Stevens, son of Dr. F. D. Stev-
art, an alumnus of the college, and
now a student in the conservatory of
music in Cincinnati, sang three selec-
tions and a vocal solo by Mrs. T. R.
Turner, Dr. Davidson, Pa.

The guests were treated to a display
on the part of the students under the
direction of Miss Louise Smith. The
work in this department proved
very interesting.

CEDAR STREET PROPERTY

CHANGES HANDS

Several deals are reported causing a
change of ownership in Cedar street
property. Mr. Dave Howen, who pur-
chased the Irwin property last week
sold same to C. N. Stuckey. Mr. How-
en also gets a piece of business prop-
erty in Clifton in the deal. The trade
was made by Smith & Collins. Mr.
Howen purchased the J. N. and T. B.
Andrew property across the street
from the Irwin property. Both the
new owners, Messrs. Stuckey and
Howen announce that they will im-
mediately upon securing the deeds start
improvements and place the property
in first-class condition.

MARSHAL KENNON

**Please Guilty and Judge Kyle Passes
Sentence.**

A change in plea of not guilty to
that of guilty on the part of R. W.
Kennon, changed the aspect of the
case that had been set for trial on
next Tuesday. The village marshal
and was indicted on two charges,
one of rape against fourteen-year-old
Carrie Shull and the other burglary
for the theft of Mrs. G. W. Harper's
chickens. His was only entered in
the first case and the other indict-
ment stands.

Judge Kyle in passing sentence re-
marked that he had known the de-
fendant for 35 years when he worked
on the farm for his father and little
did he ever think that the prisoner
would ever stand before him to be
sentenced on such a charge. Judge
Kyle fixed the sentence at the limit
under the law, an indeterminate one
not to exceed 20 years in the peni-
tentiary at hard labor no part of which
shall be in solitary confinement.

MEMORIAL OBSERVANCE.

Memorial Day was observed Satur-
day in a very fitting manner, the day
being ideal. The exercises of the
day were under the direction of Hon.
Andrew Jackson. The usual services
took place at the cemetery north of
town, while delegations looked after
the other two cemeteries. In the af-
ternoon at the opera house Rev. J. S. E.
McMichael gave an excellent address
that greatly pleased the audience. A
band from Xenia furnished music for
the procession to the north cemetery
in which the school children took part.

THREE WOMEN ARRESTED

ON CRIMINAL CHARGES.

As a result of activity on the part
of Prosecutor Johnson three charges
of keeping houses of ill fame were
filed against Eleanor Endsley, white, and
Minnie Hamilton and Nettie Reed,
colored, all of which seems to be
part of the general clean-up campaign
that has been going on here for the
past month. Sheriff McMichael made
the arrests last Friday and the trials
were set for Thursday. The Endsley
woman lives in property owned by J.
H. and T. B. Andrew. The Reed place
is in "Pittsburg" and Hamilton on
"Rat Row."

TENANT HOUSE BURNS

ON R. C. WATT FARM.

A tenant house occupied by Cecil
Little on the R. C. Watt farm, south
of town, burned Sunday night, about
ten o'clock. The family had been
away from home in the evening and
upon returning found the house filled
with smoke. A small blaze was found
in the kitchen and this was extinguished
but it had made such headway be-
tween the walls that it could not be
controlled.

There being no telephone, Mr. Little
tried to rouse the neighbors by fire-
ing a revolver, but this could not be
done. As a result they only saved
part of their household goods while
most of the furnishings were lost. Mr.
Watt carried \$100 insurance, but there
was nothing on the contents.

DEATH

**Of Miss Ruth Warnock—Burial in
Xenia.**

Miss Ruth Warnock, aged 25, daugh-
ter of Rev. and Mrs. J. C. Warnock,
was buried Wednesday at Woodlawn
cemetery, services being held in the
new chapel. The services were in
charge of Dr. Carson, assisted by Rev.
McMichael and Dr. Johnson.

Besides the parents the deceased
leaves two sisters and one brother.
The remains were accompanied by the
father. Rev. Warnock was for seven
years pastor of the local U. P. con-
gregation but left here seventeen
years ago. At present he is located
at Little York, Ill., near Monmouth.

CLIFTON U. P. CHURCH CHIMES.

Today's thought is tomorrow's deed.
Formation is better than reformation.
Let the ballot take the place of the
bullet. Progress does not ride on a
pulsed.

Dr. Oyler once said he had never
known a case of a person who did not
deteriorate morally and every other
way.

William Collins will lead Sabbath
evening in a study of "Sketches of the
Covenanters."

Mr. James Harris is a member of
the Pitkin school board and Mr. Frank
Corey is a trustee. Dr. Ritchie at-
tended the Pitkin commencement
last week.

Bruce Anderson graduated at Ce-
darville College last Friday. There
were ten graduates.

The church offers a rich fellowship
with the best people of the community
which will mean much to the young
people, to the family and to all who
need a warm hand and a smiling face.

There was a good attendance on
Decorative day; the opera house was
filled to hear Dr. Ritchie's speech and
the Cornet Band play.

Mrs. Mary Coon has been visiting
her brother-in-law, William Knox, and
other friends in this community, re-
cently.

"I expect to pass through this world
but once, any good therefore that I
can do, or any kindness that I can
show, to any fellow-being, let me do
it now. Let me not defer nor neglect
it, for I shall not pass this way again."

Our communion comes June 14. Pre-
paratory services on Friday and Sat-
urday. Time given up to these ser-
vices in well and profitably spent
Plan to attend all three days.

By invitation of Prof. Lee Westlake,
the pastor and Mr. Ed. Corey attend-
ed. Musical commencement Thursday
evening.

The church affords opportunity for
united and systematic service for
the community with far-reaching re-
sults, which are entirely impossible
when isolated and uncoordinated.

George Ritchie is making a visit
at Muskogee, Oklahoma, and will
be absent about a week.

Services preparatory to communio-
nism next Friday and Saturday at 2 p. m.
School has closed and we hope for all
the young people as well as the old-
er ones in these services.

George Finney is leaving the nuns.
He will be glad to see any of his
friends who are not afraid of him.

Session will meet next Saturday
at 2 p. m. for the reception of new
members or any other business that
may come before it.

Misses Margaret Rife and Adah Tan-
nell and Messrs. Don Kyle and
Israel Lacroix are appointed dele-
gates to the County Sunday school
convention this week.

The Clifton Cornet Band is making
splendid progress and is a source of
pride to the whole community. Three
of our boys, Omer Sparrow, Orla Tan-
nell and Mack Anderson, are mem-
bers.

Continue the work for the Sabbath
school. It is the most productive de-
partment of church activity. Come
and bring others and search the Scrip-
tures as Christ commanded us.

The young people getting out of
school will now be expected to make
an especially great effort in the work
of the church. What can the young
people do?

Remember the Presbyterian at Ce-
larville. Are you going to the city?
Plan to go at that time.

A fine audience gathered at the
opera house Sabbath evening for the
baccalaureate sermon by Dr. Ritchie.

SIEGLER RETAINED.

Prof. Geo. Siegler, instructor of
music in our public schools during
the past term, has been retained by
the board of education for the en-
suing term. Prof. Siegler has given
entire satisfaction to the patrons of
the district and the action of the
board will meet with their approval.

STONE ON FARMS
Where Marl Deposits are Not Avail-
able the Lime Stone will be Used
to Supply Lime on Soil.

Recent investigations conducted by
the Greene County Improvement As-
sociation show that there are four ex-
tensive deposits of marl in different
parts of Greene county, each of which
contains a number of acres. The as-
sociation has been making a study of
these deposits and has been scattered
throughout the county.

The value of this marl for agricul-
tural purposes has been estimated at
about \$100,000. The marl is found
on the farms with the result that
a number of acres are being placed
under the plow. The marl is an ex-
pensive ground or burned lime.

This development has resulted in
numerous requests by farmers
throughout the county for the marl.

**Horse Show
Next Week.**

The seventh annual horse show in
Springfield, O., will be held next
Wednesday through Friday at
the Clark county Fair grounds.

Springfield is one of the few
inland cities that has supported
such an annual attraction year
after year. Of all the cities that
hold horse shows there are few
exhibitors of saddle horses but that
prefer the Springfield show. This
always means large entries from
the finest stables in the country.

The shows will be held each after-
noon and tickets and reservations
can be had at Troupe's drug store,
corner Main and Fountain Ave.

Cedarville in the past has always
been interested in the Springfield
show and a liberal attendance is
promised this season. Lovers of
good horses should not fail to at-
tend the exhibit next week.

COURT NEWS.

Two suits were filed in the Common
Pleas court Monday evening by W. H.
Barber as administrator of bonds non
with the will annexed of James B.
Gregg deceased. One suit is against
John A. Harrison et al for the collec-
tion of note for \$500 signed by John
A. Harrison and M. A. Herli-
son with interest at 7 per cent from
September 22, 1906, less a credit of
\$59.54. In the second suit the plain-
tiff asks the court to determine the
interest of the deceased James B.
Gregg in certain real estate left by
him in order that plaintiff may sell
the same and divide same among
heirs. The defendants in the second
suit are Wm. B. Gregg, et al.

This section was visited with a
light rain Monday that was produc-
tive of much good to man, beast and
crops after a three weeks drought. The
rain brought cooler weather for a
day or so. The greatest relief was
noticed owing to an absence of the
dust that has filled everything and
covered every object for weeks. It
has been in your eyes, hair, mouth,
and on most every article you eat.
Relief in another way is coming soon,
the application of oil to the streets
that has been so long sought by every
body.

On Monday afternoon the County
Commissioners took up the claims for
sheep killed in the county by dogs
during the past year. With the ex-
ception of seven all the claims were
allowed as valid. The seven referred
to were cut on the ground that the
claims exceeded the valuation placed
upon the sheep for taxation. In al-
lowing these claims the Commission-
ers abide by a rule to allow not over
\$6 for each sheep killed unless they
are on the tax duplicate for a greater
sum. The claims will be ready for
payment on Saturday of this week.

The amount of the claims allowed
and the person to whom they were
allowed are as follows:
J. P. Paulin, Ross tp., \$18.00; H.
C. Stetert, Xenia tp., \$12.00; A. M.
Peterson, Spring Valley, \$12.00; W. H.

Build Your Front Steps of Concrete

You can easily do it yourself. Buy a few sacks of Portland Cement and mix with clean sand. Fill the board forms with this mixture and let them stand until the concrete is dry. Any wideawake boy can do this. And the result is a handsome flight of steps that can be built of wood--better than stone--and everlasting. They will never need repainting.

We Will Gladly Show You How

to mix the concrete. You can not go wrong if you use Universal Portland Cement and clean sand in the proper proportions. The cost is a mere trifle.

NEW YEAR REVELS IN LARGE CITIES PASSING

New Custom is to Remain at Home
and Exchange Greetings Over
Telephones.

Old fashioned ways of celebrating the arrival of the New Year and of exchanging greetings of good will are making room for a new and modern custom--"Happy New Year" via telephone.

In thousands of homes in Chicago, the infant, 1914, was greeted by the merry jingle of the telephone bell. Thousands of miles of telephone wire were jammed with "Happy New Year." Chicago is used as an illustration because an ingenious telephone man there discovered the custom in a novel way. He read it on a meter.

There is in each telephone exchange a meter, called the "ammeter," by means of which the amount of electricity used in transmitting all the messages through the switchboards in that exchange at any single instant can be determined in terms of "amperes." If fifty conversations were in progress and the ammeter needle registered 45 amperes, an advance of 5 amperes would indicate the number of conversations at that moment had increased.

Meter Shows Many Calls.

In one of the populous districts of Chicago the telephone man watched his ammeter closely for fifteen minutes of the old year and ten minutes of the New Year. At 11:45 it registered only 55 amperes. For ten minutes the needle rose two and one-half amperes a minute. Then, the rush was on. At 11:56 it jumped suddenly to 90. In another minute it had reached the 205 amperes mark. Scarcely had the switchboard at that exchange carry so heavy a load. The operators could hardly handle it. Before the New Year was one hour old the needle was back to 30, the quiet zone.

Reports from other Chicago exchanges, as well as from other cities, give ample evidence of the growth of the custom of spreading New Year's cheer and welcome via the telephone.

Must Be Striven For.

The old saw runs, "Sweetest nuts have hardest shells." This, we suppose, is a quaint way of saying that everything worth the having requires both pains and strains to acquire. The gold is not obtained until the rocks are crushed and the fires are applied. The best fruits of learning are obtained after great expense of time, labor and investigation.
